Beside armature production machine, we also supply other machines, **stator production machine** (stator winding machine, winding inserting machine, forming machine, lacing machine, powder coating machine ect); **motor components**(such as commutator, ball bearing, carbon brush, insulation paper, shaft, magnet, fan, motor cover, etc.) and **project support and turn-key service** for some motor manufacturing.

PRODUCT CATEGORIES

Company introduction:

Established in 2007, Nide is a company devoted in the field of electric motors manufacturing, providing one-stop service for its customers.

Nide has following affiliated companies

Ningbo Nide Mechanical Equipment Co., Ltd Jiangsu Xiandian Mechanical Co., Ltd Jiangsu Nide Automation Tech Co., Ltd Ningbo Haishu Nide International Co., Ltd

With good service, unique philosophy, professional team and reliable quality, we win the worldwide customers' confidence gradually. We directly and indirectly supply our products to more than 40 countries such as Germany, U.K, Spain, Italy, Turkey, Brazil, Argentina, Mexico, Iran, India, Vietnam, etc. Among the customers, many of them are the world-renown companies. In the international market,

Nide is the leading motor manufacturing machines supplier from China.
